## “WE SERVE GREAT FOOD WITH INTEGRITY”

*Larry & Mitch Raikes, Founders*

The Raikes brothers, Larry & Mitch, built their first submarine sandwich shop in Jacksonville, Florida in 1982. They made their very first subs using the highest quality deli meats and cheeses available, topped off with fresh produce delivered daily like iceberg lettuce, vine-ripe tomatoes and the finest onions. Today, the ingredients have not changed and neither has the brother's commitment to quality.

After seeing the response the first store received, the two were inspired to branch out and take their concept nationwide. With more than 30 years of hands-on experience, the Raikes brothers built a tradition of quality that has never been surpassed. Larry's Giant Subs has achieved growth and success with a continuing commitment to making the best sub sandwiches on the planet.

Larry's Giant Subs is the only sub chain out there that focuses on serving healthy and nutritional products. Our Roast Beef is *ALL NATURAL, Black Angus USDA choice with no injections*. We use Raikes Farms *Antibiotic-Free Turkey Breast and Grilled Chicken Breast, which is: Antibiotic Free, Hormone Free & Sustainably Farmed*. Our award winning bread comes straight from Costanzo's bakery, right in the heart of Buffalo, New York. Take one bite of our Raikes Farms Pastrami and Corned Beef Brisket- *“You'll Feel like in Your Favorite N.Y. Deli”*.

We use Bumble Bee Albacore Tuna & our chicken salad is made by Sally Sherman using all white meat chicken and Hellman's Real Mayonnaise.

We are proud to give our customers what no one else out there can, premium products at everyday affordable prices.

**Larry's Giant Subs has happy customers, happy employees  
& happy franchisees-we're family!**
